

PORTFOLIO

PHARMA API⁺

- Controlled substances
- Hormones & steroids
- Muscle relaxants
- Oncology products
- Comprehensive services

THE DCS PLUS⁺

FOR API PRODUCERS

Take advantage of

- our in-depth market know-how
- a worldwide network that we developed over decades
- a transparent exchange of information

FOR GENERICS PRODUCERS

We distinguish ourselves through

- top products
- world-class manufacturers
- the right documentation
- a customer support that will exceed your expectations

YOUR PHARMA API EXPERTS

The highest quality, specialized knowledge, and transparency: this is what we bring to active pharmaceutical ingredients. We are your specialists with clearly-defined schedules, extensive high-quality Swiss services, and a global network built up over decades. We focus on a few select therapeutic groups and set the right priorities.

PRODUCT	GROUP	CEP	EDMF	US-DMF
